Health and Safety Policy

Apollo Plumbing and Gas is committed to ensuring that our employees, contractors and anyone who visits our work areas are safe from injuries and risks to health. To achieve this we are committed to safe work practices and a healthy work environment to eliminate the incidence of injuries and therefore achieve a “Zero Accident” rating.

To deliver on our commitment, we will:

- Provide a safe working environment and safe systems of work.
- Provide safety policies, procedures and systems in accordance with all applicable Acts and Regulations.
- Provide and maintain safe equipment, substances and materials.
- Consult with employees and others on health and safety matters.
- Provide information, instruction, training and supervision to ensure safe systems of work.

All employees and contractors are required to:

- Adhere to safe work practices objectives and instructions.
- Not misuse, damage, refuse to use, or interfere with anything provided for the purposes of occupational health and safety.
- Report all known or observed hazards, incidents and injuries.
- Perform work duties in a manner that promotes health and safety for everyone.

The intent of this Policy should be translated as an effective way of achieving action with regard to occupational health and safety, and that all persons will refer to this policy in all matters relating to occupational health and safety at all times.
